Info@TheBellevueBlock.com

Located just North of downtown Bellevue. (Bellevue Way NE. and NE 17th St.)

Chiavari is a 3-story building with a common garage. Approx 34 units in the building. Most units have 2 assigned parking spots. A provocative building, showcasing a stucco exterior and flat-torched roof, this building has the look and feel of that Mediterranean home you have always desired. The foyer greets you with a common entertaining/reading room and lavish finishes. You will not be disappointed upon entry to this luxury villa living. The building is armed with air conditioning and most units feature 9-10ft ceilings with granite counters, French doors, coffered ceilings and crown molding. We could go on and on about this Mediterranean villa but its a building you truly must see for yourself. To schedule a private showing please call: 206.391.2021.
